**PT. MITRA  
KARYA SARANA**

# COMPANY PROFILE

## PT MITRA KARYA SARANA

*"Specializing in Steel Fabrication, Machining, Marine Contractor, Civil Construction and Engineering Service"*

**Leading the Way in Steel and Marine Engineering**

# **Let's build a better world together**

PT Mitra Karya Sarana ( PT MKS ) is a leading pioneer in the in Steel Fabrication, Machining, Marine Contractor, Civil Construction and Engineering Service industry in Batam, Indonesia. Established in 2006, we have set high standards in delivering high quality engineering solutions for various industrial needs.

By integrating the latest technology and best industry practices, PT Mitra Karya Sarana is committed to providing innovative and cost effective solutions. Client satisfaction is our top priority, and we take pride in having a strong track record of building long term relationships with our clients and business partners.

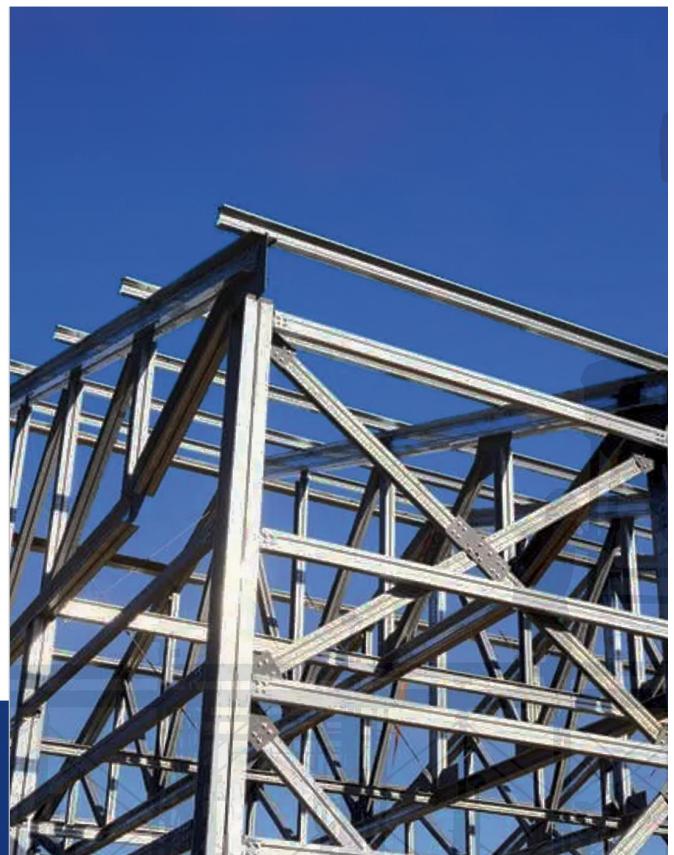

**Batam IMOX 2025 moments**

# Introduction LETTER

PT MITRA KARYA SARANA has formed and registered in 2006 located at Taiwan International Park Blok B No.117, Kabil - Riau Island. Nature business of our company is Steel Fabrication, Machining, Marine-Contractor, Civil Construction and Engineering Service

We do our best to provide our client with highest quality service, work efficiently and meet delivery schedule.

## Our Mission

To be an excellent local contractor in Steel Fabrication, Machining, Marine Contractor, Civil Construction and Engineering Service

## Our Commitment

Perceptive to the customer needs.  
Giving right solution by providing excellent service, independent & continuously improve the professionalism to get a good returns for attaining employee's welfare as well as share holder satisfaction.

## BUSINESS UNIT

### ■ ENGINEERING SERVICES

ASME VIII Pressure Vessel  
API & Rectangular Storage Tank  
Spreader Bar  
Skid, etc.

### ■ GENERAL FABRICATION

Pressure Vessel Fabrication  
Storage Tank Fabrication  
Structure Fabrication such as platform, skid, etc.  
Piping Fabrication

### ■ MACHINERY SPARE PARTS

Process such as Facing, Turning, Milling, Bending,  
Rolling, Boring, etc.  
Product such as Gear, Bush, Sheave, Flange,  
Coupling, Nipple, etc

### ■ MARINE CONTRACTING

Ship Outfitting Works, Welding & Structural Repair  
Marine Equipment Installation

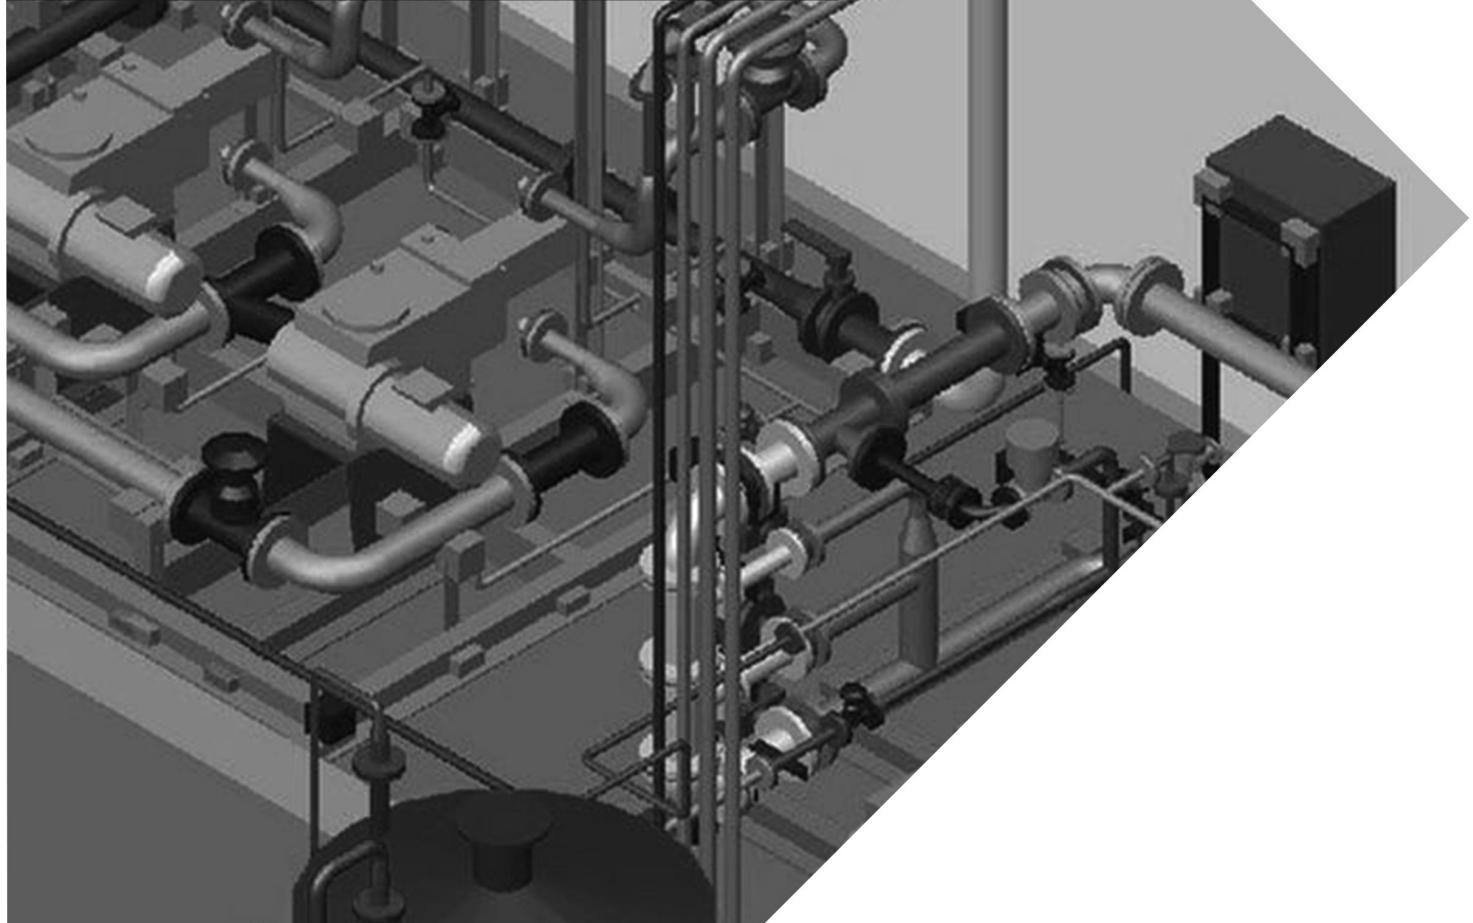

### ■ CIVIL CONSTRUCTION

Excavation & Backfilling, Concrete Casting &  
Formwork, Steel Structure Fabrication & Erection  
Road & Drainage Construction, Building Renovation  
& Repair

# ENGINEERING SERVICES

## DESIGN & DRAFTING

PT. Mitra Karya Sarana carries out engineering and design work. We fabricate using drawings that have been designed and approved by engineers. These drawings adhere to recognized international standards (ASME VIII Pressure Vessel) and industry specifications.

We identify as a steel fabrication company, meaning we work with steel construction and have the capability to fabricate any custom item using wide flanges, plates, and other structural.

# GENERAL FABRICATION

## Leading the way in Steel Fabrication

Reliable equipment with perfect design and functionality significantly contribute to the success of our fabrication activities. PT Mitra Karya Sarana specializes in engineering, fabrication, and construction, offering a wide array of superior products including main building structures, galvanizing, piping, and more. We ensure high-quality steel materials for all

Our attention to detail helps us earn the trust of our clients. Meeting and customizing to our clients' needs is our highest priority. We are committed to supporting our clients' development projects comprehensively.

# MACHINERY SPARE PARTS

We understand that every operation is unique. That's why we offer customized solutions tailored to your specific needs. Our team of experts works closely with you to identify the right parts and modifications to enhance your machinery's performance. We provide a wide array of machining processes to meet your specific needs, including:

Facing, Turning, Milling, Bending, Rolling, Boring, etc. and product offerings include: Gear, Bush, Sheave, Flange, Coupling, Nipple, etc. Our commitment to excellence and reliability ensures that your operations run smoothly and efficiently.

"WE ARE DEDICATED TO PROVIDING YOU WITH UNPARALLELED SERVICE FOR ALL YOUR MACHINERY NEEDS."

# MARINE CONTRACTING

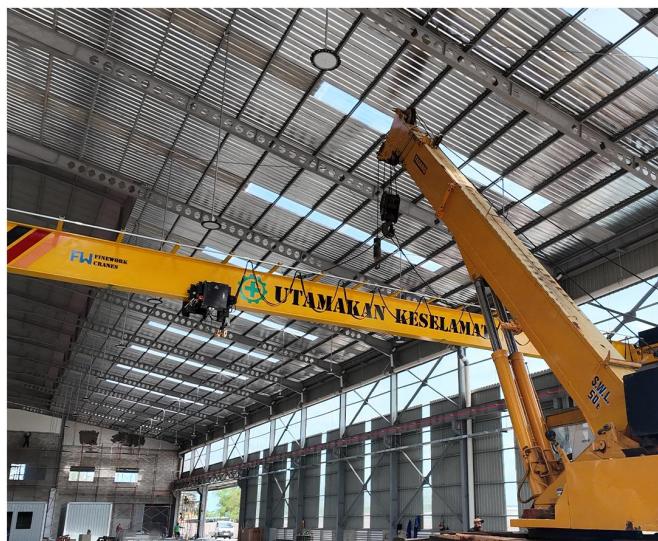

we provide comprehensive services that ensure the success of your maritime projects. We dedicated to deliver top-quality marine contracting services that meet and exceed industry standards. We specialize in a broad range of marine contracting services, including: Marine parts fabrication, construction and maintenance of marine structures. We work closely with our clients to provide customized solutions that address their specific needs and challenges.

# CIVIL CONSTRUCTION

We provide comprehensive civil construction services designed to support the successful delivery of your infrastructure and development projects. We are dedicated to delivering high-quality construction solutions that meet and exceed industry standards. Our expertise covers a broad range of civil works, including structural construction, site development, earthworks, and building maintenance. We work closely with our clients to deliver customized solutions tailored to their specific project requirements, ensuring efficiency, safety, and long-term durability in every construction phase.

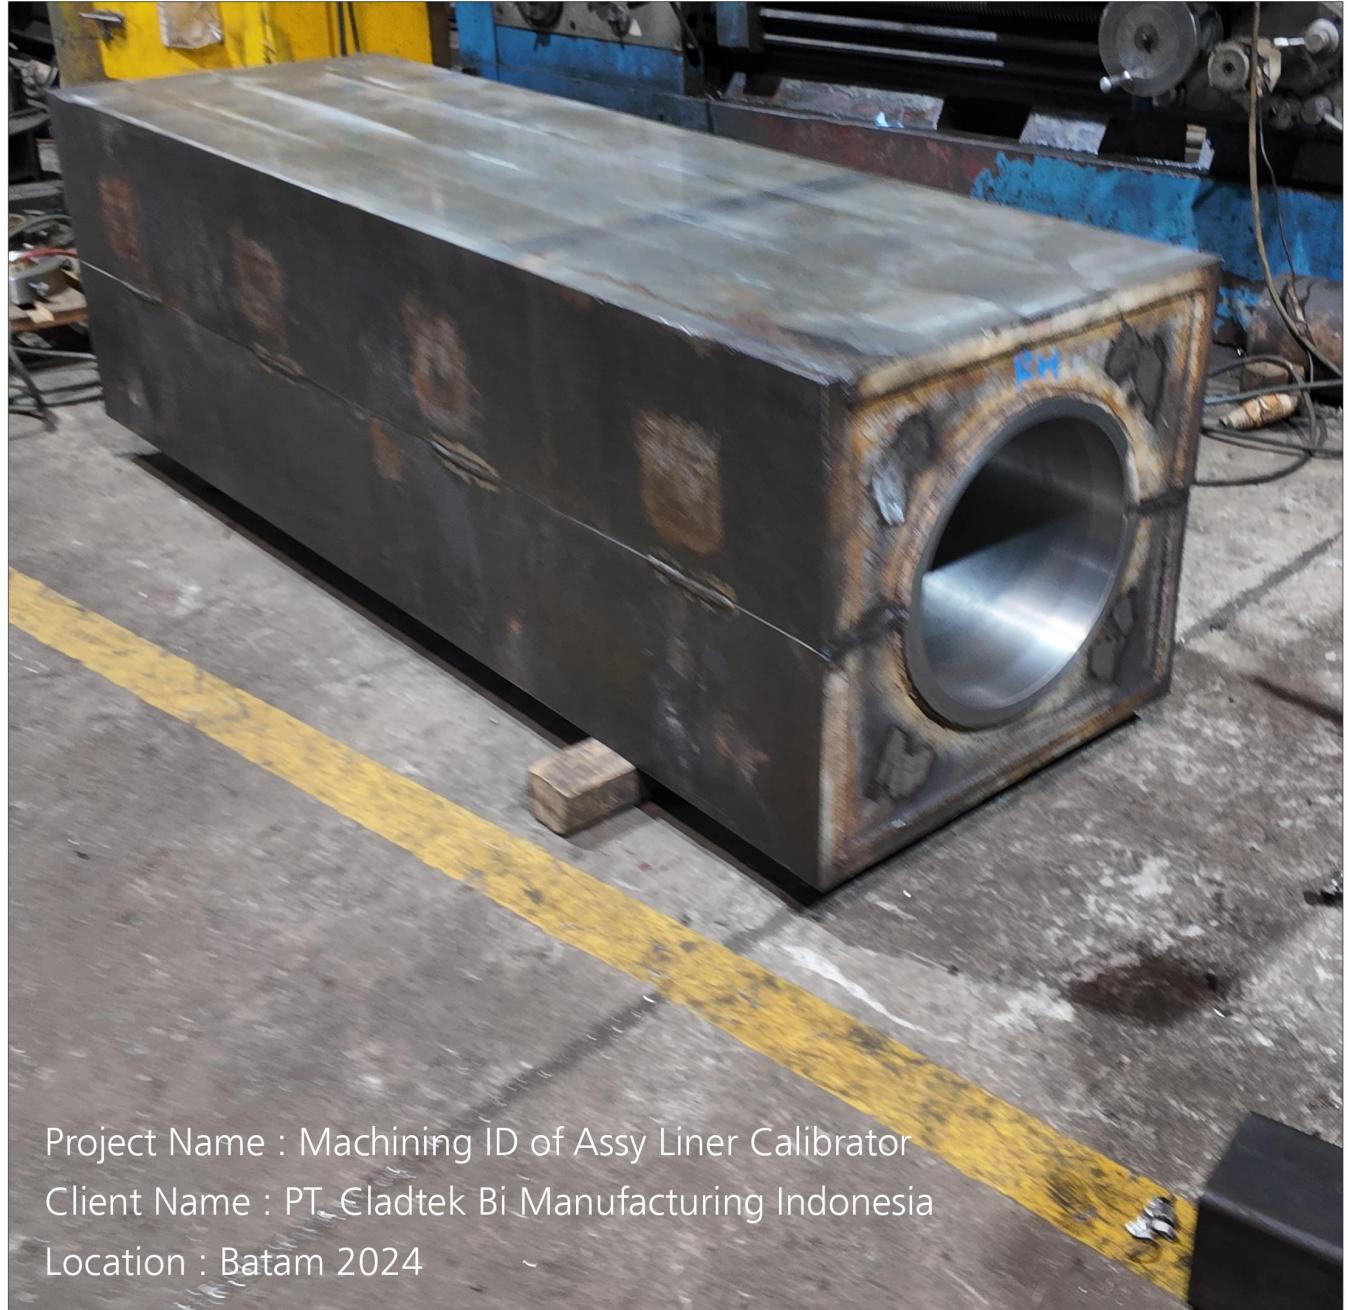

# MANUFACTURING FACILITY

Our manufacturing facility is equipped with advanced technology and state-of-the-art machinery, enabling us to achieve the highest standards of quality and precision. Our team of skilled engineers and technicians work with the latest equipment to ensure that every project meets rigorous industry specifications and exceeds client expectations. From precision cutting and welding to detailed assembly and finishing, we utilize the best practices and innovative solutions to provide exceptional results for all your steel fabrication needs.

# PROJECT EXPERIENCE

Project Name : Machining ID of Assy Liner Calibrator

Client Name : PT. Cladtek Bi Manufacturing Indonesia

Location : Batam 2024

PT. Mitra Karya Sarana has successfully completed a diverse range of construction and fabrication projects both within Indonesia and internationally. Our extensive portfolio showcases our capability to deliver high-quality solutions across various sectors, adhering to stringent industry standards and client requirements. We pride ourselves on our expertise, commitment to excellence, and ability to meet the unique challenges of each project, ensuring the highest level of satisfaction and reliability for our clients.
